

## **TOOLITECH INC. adds accounting expert to its Business Advisory Committee**

October 20, 2021

Kimberley, B.C. – October 20, 2021 – TooliTech Inc. (“TooliTech” or the “Company”) is pleased to announce the appointment of Thomas Hawker, B.A.Econ., CPA, CA, to its Business Advisory Committee (“Committee”). The Committee also includes John R. Tapping, CEO and Chairman of the Board, Renée Hetherington, CFO and Director, Mallin Jiang, CMO and Director, Cameron MacCarthy, BA, LL.B, and Wesley Robinson, B.Com.

Thomas Hawker will assist the Committee in evaluating and interpreting future strategic and operational decisions and investments.

*“We are extremely pleased to welcome Tom to our business advisory team,”* said John Tapping, TooliTech’s Executive Chair. *“Tom has extensive experience in the field of accounting and business consulting. He brings a wealth of knowledge to the team and will help guide Toolitech through day-to-day challenges, set financial and strategic objectives, and contribute to value creation.”*

### **About Thomas Hawker**

Tom Hawker completed his economics degree at the University of Victoria in 1978, obtained his CA designation in 1984, and had been a partner with Field & Company since 1990, where he worked with family-owned businesses and entrepreneurs, until his retirement in 2017. He has consulted with a wide range of corporate entities on their financial needs and strategic objectives for the past 40 years and continues in that capacity today. Many of these corporations have grown to be leaders in their industries in Western Canada.

In addition, he is a Director and Treasurer with Rowing Canada Aviron, a National Sport Organization. He also gives his time to a number of community organizations and has been a long-serving member of the Camosun College Foundation Board of Directors.

### **About TooliTech Inc.**

*TooliTech Inc is a technology vanguard specializing in innovative, sustainable industrial-scale cryptocurrency mining. The strategy of our private, Canadian-based company is to establish a world-class technology hub, initially centred around cryptocurrency mining followed by a data centre capable of advanced data-analytics and AI processing.*

*Our objective is to transition from an early-stage development company to a public company listed on a major western stock exchange.*

On behalf of the Board of Directors,

John R. Tapping  
CEO and Chairman of the Board  
Toolitech Inc.
